No 24/2021(T)

SEABED DIVE SURVEY IN NEWTONS COVE

Survey Dates	6 th September to 3 rd October 2021
Survey Times	Daylight Hours
Survey Location	CEFAS PIPELINE - NEWTONS COVE
Surveys Vessel	“SKINDEEPER”

APEX DIVING & MARINE LTD will be conducting a Seabed Dive Survey from the 6th September to 3rd October 2021. This will involve having divers in the water.

The survey will be roughly centred around the CEFAS Buoy and Intake Pipe in Newtons Cove position 50° 36.220N 002°27.000W

The Dive Survey will cover a 25-30m corridor, from the shore, each side of the pipe, along its length. At the end of the pipe, there is an 80m radius survey area. The area of operation is shown on the chart & diagram below.

Mariners are requested to give all vessels and Diver Surface Marker Buoys a wide berth during operations.

This Notice is issued under the powers vested by the Portland Harbour Revision Order 1997.

Captain M Shipley
General Manager (Marine)
7th September 2021
