

## Local Notice to Mariners

No 33/2021(T)

### PIPELINE CONSTRUCTION WORKS IN NEWTONS COVE

Dates of works	22 <sup>nd</sup> November to 5 <sup>th</sup> December 2021
Works Location	CEFAS PIPELINE - NEWTONS COVE
Works Vessel	OBERVARGH

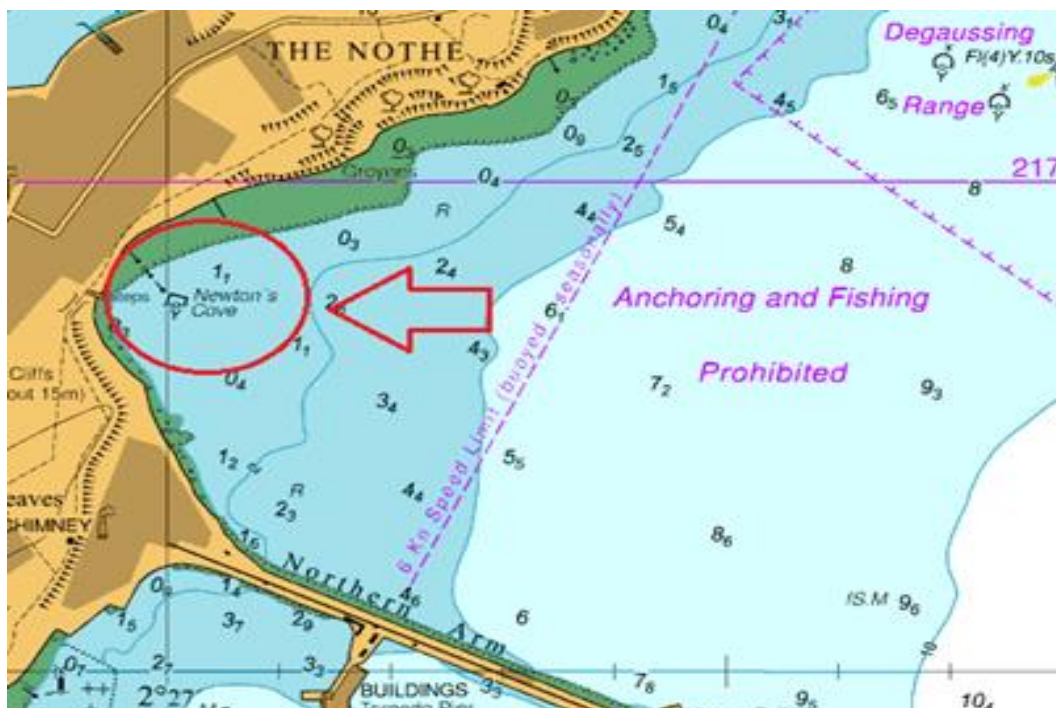

MACKLEY CIVIL ENGINEERING & KEYNVOR MORLIFT LTD will be continuing the construction of a new CEFAS pipeline from the 22<sup>nd</sup> of November to 5<sup>th</sup> December 2021

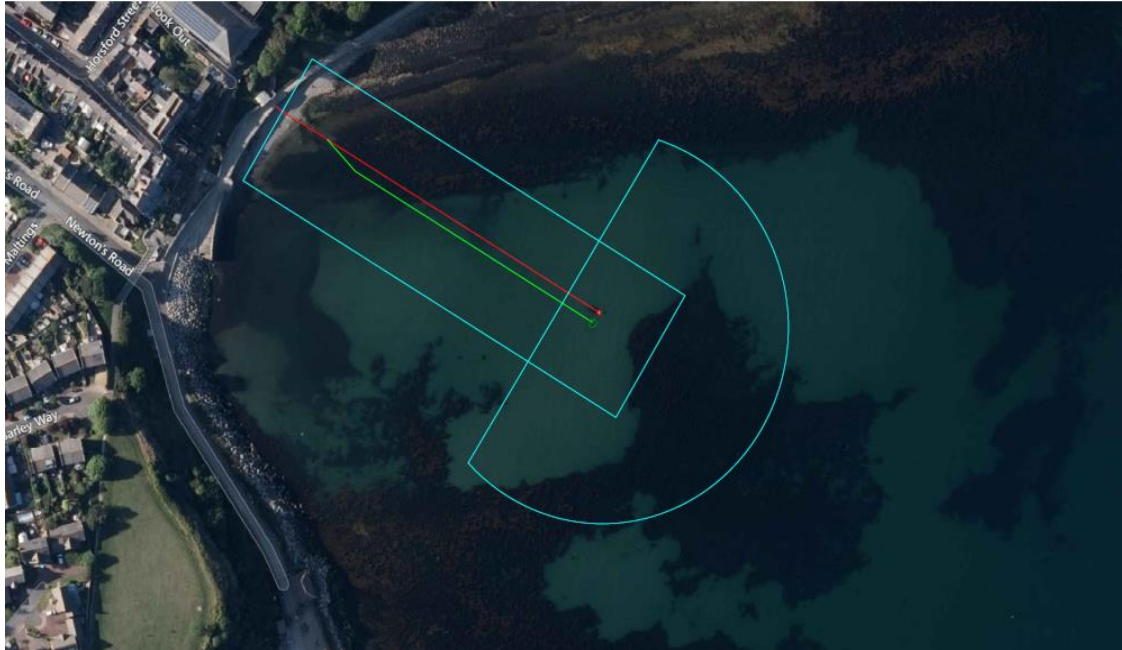

This will involve the use of heavy plant machinery, barge operations and divers in the water.

The works will be roughly centred around the CEFAS Buoy and Intake Pipe in Newtons Cove position 50°36.220N 002°27.000W

The works will also cover a 25-30 metre corridor, from the foreshore / seawall, seawards to a new intake unit.

The area of operation is shown on the chart & diagram below. The new pipeline is marked in green.

The present CEFAS intake Special Mark Buoy will be replaced by 2 Special Mark Posts, one on each intake.

Mariners are requested to give all vessels and Diver Surface Marker Buoys a wide berth during operations.

*This Notice is issued under the powers vested by the Portland Harbour Revision Order 1997.*

Captain M Shipley  
General Manager (Marine)  
22nd November 2021
